(b) if so, the details thereof; and

(c) the steps being taken by Government for their safety?

THE MINISTER OF TRIBAL AFFAIRS (SHRI P. R. KYNDIAH): (a) to (c) The recently constituted Committee of experts set up internally by the Ministry of Tribal Affairs has discussed, among others, the issues of alarming increase in the population and large scale construction activity in the Andaman and Nicobar Islands and its impact on the primitive tribal groups as well as the environment of the islands. In this connection, the Ministry of Home Affairs which is the concerned administrative Ministry for the Andaman and Nicobar Islands, have intimated that they have notified a policy for the preservation and protection of the Jarawa tribe wherein no encroachment in the Jarawa Reserve is allowed and traffic through the Jarawa territory is regulated to ensure that there is no detrimental interaction between the tribal population and passing tourists. Further, the Ministry of Home Affairs has already directed the Andaman and Nicobar Administration to make an assessment of the influx of population into the Islands to enable the Ministry of Home Affairs to take appropriate measures accordingly.
